STAT

When I was in New York a few days ago for a dinner which [redacted] was giving. I had a good chance to talk with your father who was one of the guests.

I told him I was keeping an eye on you although he did not ask anything of this nature. In fulfillment of this promise, I want to be sure that everything is going well with you and to tell you that I have not forgotten my promise about the meeting with the "Jeffersonians".

Faithfully yours,
